PARKING AND PETTY CASH

Wonder what the two have in common? Well they are both handled by Janet Corns who was married on May 17 and is now Mrs. Janet Edwards. She is presently on vacation until June 2 so if you have any parking problems please refer them to George Clark, and if you need petty cash see Charise Bryan. Charise is located at the cashier's wicket in Student Records.

BLOOD DONOR CLINIC

FACT : Only 35% of the population is eligible to donate blood at any time. The other 65% is not eligible because of age, temporary or permanent medical reasons. In B.C. only 5% of those eligible donate blood. Regular donors who attend the clinics two to four times a year often wonder where the other 30% are!!

Attend the next donor clinic at VVI this Wednesday, that is May 28, in the mall between 10:00 and 16:00.

We Call Them Killers

About two killer whales, Haida and Chimo, who, far from any show of ferocity, display a sense of fun and rapport with their trainers, especially during their performances for the public. Musician Paul Horn captivates Haida with the sounds of his flute.

Ready When You Are

All havoc breaks loose on a pier in Halifax when an NFB crew attempts to film 1000 Halifax school children playing "I Believe in Music" on their ukeleles. Hilarious!

Feelin' Great

In our modern lifestyle, there is rarely room for adequate physical activity. This film explains why the human body needs exercise, and the sense of well being that comes from it. Calisthenic and aerobic exercises are discussed and suggestions made for making these part of our daily lives.

Fiddle-de-dee

A film fantasy of dancing music and dancing colour. To "Listen to the Mocking Bird" by an oldtime fiddler, brilliant patterns ripple, flow, flicker, and blend. (A Norman McLaren award-winning film.)
