HARRY PANKRATZ

The College has reached another sign-post of change with the announcement today that Harry E. Pankratz plans to relinquish the principal's chair at King Edward Campus.

Harry plans to stay with the College but will assume other duties in keeping with the new directions and the new challenges the College will face in the years ahead.

As you know, Harry has served the College in many capacities - Instructor, Dean, Regional Director of Instruction, Campus Principal - and has made important contributions to the College in all instances.

We look forward to his continued contribution in his new role. The timing of Harry taking up his new duties will depend on the progress made in the search and selection process to replace him. That process will be initiated in September.

BAKERS IN MOTION was the theme, and what a show it was! The bakers of Canada and the U.S.A. held their biggest convention ever at B.C. Place on August 11th, 12th and 13th, 1986.

The Pacific Bakers' Exhibition (P.B.X.) sponsored by the Bakers' Association of British Columbia, held a display of baking equipment and baked goods.

The Vancouver Vocational Institute baking students participated in the baked goods display show and competition and what a success story there is to tell for the participating students of V.V.I.!

The prestigious Renshaw Cup, (Student Class), a trip to England, a bronze medal and a plaque were all won by bakery student Bich Dang for her work with marzipan.

A gold medal for student Jane Dobie in the gumpaste category - Jane made an Okanagan Fruit Stand.

A silver medal and a plaque for Steve Hurtig for his bread basket, buns and croissant display and a silver medal for Karen Podgorenko for her wedding cake display.

In total our students won 10 bronze medals, 2 silver and one gold. No mean achievement!
