OCTOBER 11, 1988

EXTRA!!

EXTRA! EXTRA! SPECIAL NEWS BULLETIN!'''

Earlier this morning the VVI United Way Campaign Committee announced the cancelation of the JUNK FOOD LUNCH EXTRAVAGANZA. This long awaited event, due to be held on Friday, October 14, 1988 has been CANCELLED much to the consternation of caffeine and sugar fiends both campus and college wide.

When queried as to the reasons for cancellation the committee wiffled and waffled and gave this reporter the usual bureaucratic guff, citing lack of cooperation from suppliers, and serious concerns expressed on behalf of the certain departments re: the dietary, dental, and legal hazards involved in serving JUNK FOOD.

An inside source in the committee, who shall remain anonymous, told this reporter in complete confidence that the REAL REASON is because the committee just couldn't get it's act together.

Well, whatever the reason, it's not going to happen this year, folks! Sorry about that!

And now for all you folks left holding, (ahem) Junk Food Lunch Vouchers, not to worry --- the cafeteria has graciously offered to accept these at face value (\$2.00) for whatever food you may wish to purchase. Not valid after the end of the United Way Campaign.

I know, I know, it's a "real bummer" but it looks like the VVI will just have to hang in there until next year for an opportunity to "Dare to want it all for the United Way". Many, many thanks to the various departments who offered time, help and moral support to put on the Lunch. Catcha' same time next year!

Meanwhile, have you got your Gingerbread House ticket? They are going like hotcakes!!!! No! No! No! not pancakes that's on November 4th!
