BAKERY NEWS.....A Good Time was had by All!!

DICK KOK wrote in to say that the Bakers Association of B.C. recently held their three day B.C. Pacific Bakers Exhibition '89 for bakers and allied trades from western canada and the states.

One of the main attractions was the baked food display where students from several colleges and high schools competed in nine categories: Wedding cakes; Gum paste; Chocolates; French pastries and Petit fours; Sugar Work; Gateaux and Tortes; Bread; Danish and Puff pastries; and Marzipan.

The VVI Baking and Pastry Arts Department students competing against tough adversaries walked away with a number of prizes including:

Wedding Cake Category:	DEAN ROBERTS - Gold Medal CATHERINE MITCHELL and ELIZABETH KO - Bronze Medal
Chocolate:	JO HOLLICK -Silver Medal
French Pastries and Petit Fours:	MARIA ZIMMERMANN - Gold Medal TANYA MICENKO - Bronze Medal
Bread:	ELIZABETH KO and ALBERT KWAN - Gold Medal ALBERTA KWAN, SHEK CHAN, YOLANDA DONAYRE and LUISA PARODI - Silver Medal
Puff and Danish Pastries:	BOBBI JO ROBERTSON - Gold Medal ALISTER POLLOCK - Silver Medal

The VVI students also won the Best Overall Display!

Dick wanted to congratulate all the students and instructors who worked so hard to make the baked goods display such a success with particular thanks going to **GEORGE RUDOLPH** for all the time and effort he spent on the project. Dick believes that the students gain a richer knowledge of their trade doing exhibitions like this, and can be proud of themselves for having shown such excellence against very good competition.

MORE LIBRARY NEWS

....further words from the "Instructors' Guide to the Library":

PRINT IMPAIRED STUDENTS

The Library advised that there is a service for print impaired students. It is located at the Langara Library and provides books on tape and in Braille for students. Requests for text materials are usually made by the counsellor on behalf of the student prior to registration. Submit your requests to the VVI Library Information desk as early as possible before the start of classes.

COPYRIGHT ASSISTANCE

The Library will also help you negotiate copyright clearance for reproduction of materials in all formats, including print, audiotape, film, video, and computer software. They have the responsibility of maintaining a central file of copyright information for the campus.

RECYCLING AT VVI

Project Recycle, an initiative of the VVI student Association, is looking into starting a recycling program on campus. It is hoped this will be launched in the fall.

The benefits of recycling are both ecological and economic as recycling can reduce waste disposal costs. More importantly, it can cut down on the pollution produced by incineration and landfills.

A successful recycling program at SFU is now in its third year and a small-scale program at UBC is due to be substantially expanded next year. VVI will contribute to this very positive trend by initiating their own recycling program.

The VVI administration has been supportive of the establishment of a recycling program. Project Recycle is now researching the recycling experience of other campuses, among other things, They're studying ways to avoid problems such as untidiness which plagued, and eventually terminated, a previous recycling initiative on campus.

WATCH FOR RECYCLING DAYS ON CAMPUS!! JULY 4-6. For more details see Nedjo at the Student Association office or call local 415.
