VVINSIDER:

VOLUME 7:

NUMBER 14:

AUGUST 16, 1989

Editor and Chief Cartoonist: Jackie Gelling (local 237)

WHO'S NEW (IMPROVED!) AT V.V.I.

1. **LIZ LINDSAY** has been appointed, as of August 15, 1989 as the Department Head of the Dental Assisting Department.
2. **JACKIE SANDY** has been appointed, as of 1989 August 01, to the position of Acting Division Chair, Tourism and Hospitality.
3. **CAMILLE DUCHARME** been appointed as the Director of Food Services Support and will start on September 15, 1989.

Congratulations to Liz, Jackie and Camille on their new appointments!

SO LONG ITS BEEN GOOD TO KNOW YOU DEPARTMENT...

Our Bakery correspondent DICK KOK tells us that **JOHN GNOS**, who has been a baking instructor with the VVI for twenty-two years, has decided to retire at the end of August. Dick invites everyone who knows John and would like to bid him a fond farewell and happy retirement, to do so on Wednesday, August 30 at a get-together to be held in the baking classroom from 1:00 p.m. to 3:00 p.m. Coffee, tea, wine and cheese will be provided by the VIA and the Baking Department.

HEY! IT'S REALLY NICE TO SEE YOU AGAIN!! DEPARTMENT...

After what has seemed like a very long time without his scintillating, effervescent presence on campus - it's good to see **BOB MALONE** wandering around the halls again. Most of us, I'm sure, are very happy to see his fluorescent Hawaiian shirts brightening up our environment once more!

That having been said, Bob has asked the Insider to publish his heartfelt thanks to all his friends and colleagues on campus who inquired about his health during the months he was away, and who welcomed him back when he returned.

PRINCIPAL'S AWARD

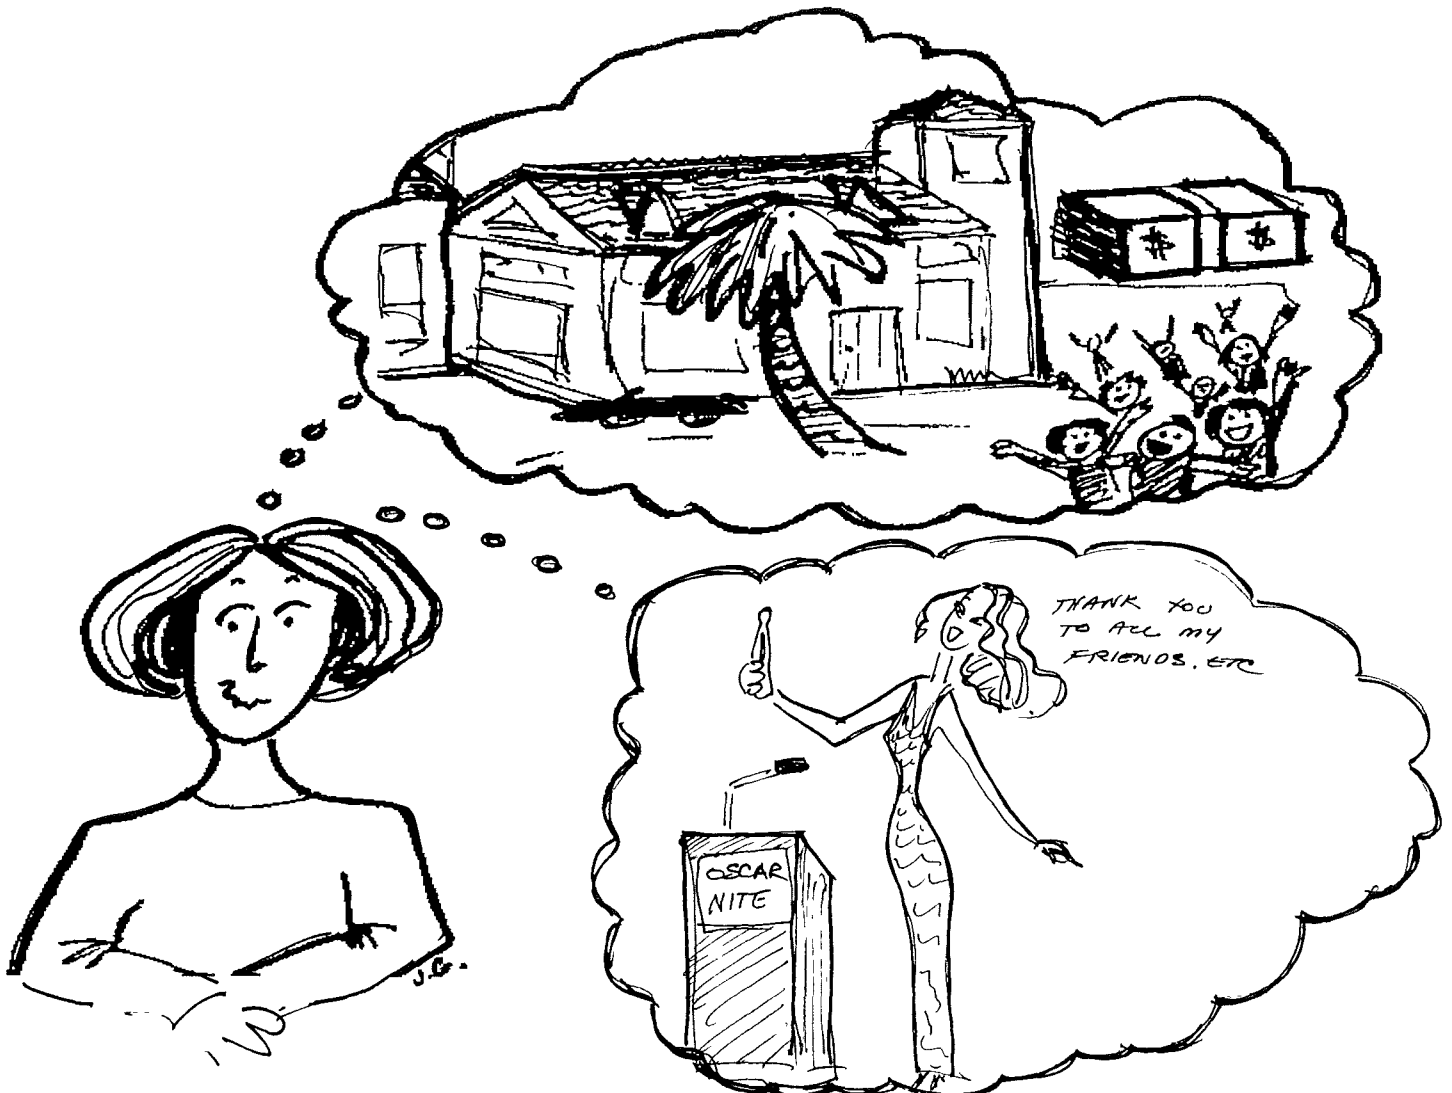

This year the Principal's Award was given to **LAURA NORRIE** at the Graduation Ceremony held on July 13th. Laura was also the valedictorian for the Hospitality Division at the April 20th graduation. Laura excelled in four of the VVI's programs, completing the Culinary Arts Training in 1985 and 1986 and the Baking and Pastry Arts Program in March of this year with a CPA of 3.81. Laura is now working as a Pastry Chef at the Pan Pacific Hotel.

STAR-STRUCK AT THE VVI (You Otta be in pictures, etc.)

So, there they were, all the star-struck, yet-to-be-discovered hopefuls, waiting for their moment of glory, to be discovered and whisked off to Hollywood....glamour! Romance! Money! (lots of it!) Rolls-Royces! Perennial Sunshine on the palms of a Beverley Hills Mansion! Well, that was the dream.

The reality was sitting around for hours, until the wee small hours of the evening, in the Administration Offices (yes! our Admin offices!) waiting to be called for their moment of glory. Administration had miraculously been turned into....are you ready for this?....The FBI offices in Washington, D.C.!! Complete with Department of Justice plaques on the walls, framed photographs of George Bush and American flags.

All the fantasy was for a new TV series, being filmed in Vancouver, which will be premiered this fall (Thursdays at 9:00 p.m. on CBC) and stars William Katt (last seen in the "Great American Hero" TV series). Watch for it and see if you can recognize any of your fellow VVI co-workers.

THANK YOU ONE AND ALL

The Alzheimer Society of B.C. has written to thank all those who donated to the 1988/89 United Way campaign. The money they received will be put towards increased research into the cause of Alzheimer Disease and to their Resource Centre and Information Line.

MORE LIBRARY NEWS

...further words from the "Instructors' Guide to the Library":

The Library advises that purchases of videos, films, slides, filmstrips and cassettes are based on evaluations, use, and availability from other libraries. They are slowly, but continuously, updating and increasing the media collection, but they need your advice in this area!

The Library also has a preview service. You may evaluate media materials prior to class use or for purchase consideration. If you have specific information needs, please contact the Library and they will send you information on new and appropriate media items.

The Library's collection of word processing, spreadsheet, and other microcomputer software programs is growing. They are available for your use in the library's microcomputer lab. Please advise them of new programs that you and your students need.
